Total hours	7	7	10	9	4	2	

Local Coverage

Know ahead of time that you're going to miss a shift?

Please find a substitute within your own library or by putting out a message to the MSL Reference Listserv. If you are unable to do so, please plan to make up your shift within two (2) weeks. Contact Betsy Garlish (bgarlish@mtech.edu/496-4839) to let her know when you will be doing so.

Missed a shift because of illness, emergency, or library closure (including computer issues)?

No need to make it up, but please do notify Betsy (bgarlish@mtech.edu/496-4839) within a couple of days of the occurrence.

Local and National Cooperative Coverage

Know ahead of time you're going to miss a national shift?

In addition to contacting Betsy, please remember to contact Victor D'Altorio at OCLC (daltoriv@oclc.org) with the time, date, and name of the queue (Montana Public if you're a school or public librarian, Montana Academic if you're an academic librarian.)
